

2-Hour Delay Procedures – Leighton Elementary School

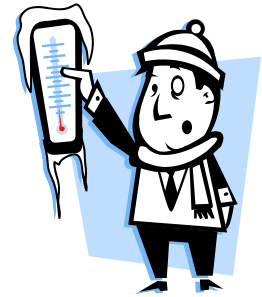

Just want to remind you that we could have a 2-hour delay due to weather conditions. In the event this occurs, school would start exactly 2 hours later.

Announcements at 11:05 and here's what the lunch/recess schedule would look like:

3rd: 11:40-12:15

4th: 12:15-12:50

5th: 12:50-1:25

In this scenario ...

- Students will have a 35-min. lunch w/ no recess.
- Teachers will drop off, para staff would dismiss and supervise hallways going back to rooms.
- No students will be coming late to lunch or coming back after eating for help.

Every attempt will be made by the Kitchen Personnel to serve the day's lunch according to the menu depending on what was prepped the day before, or else Pizza would be served like a FRIDAY LUNCH MENU. Students/teachers would be notified prior to the lunch count being taken.

Normal Day in terms of Specials before/after the adjusted lunch times.
