

# **Next Level Prep ACT Preparation Seminar**

(Prep for the School Based ACT February 20, 2019)

**Saturday, January 26, 2019, from 8:00 am to 2:45 pm,  
in the Aurora High School Auditorium**

Dear Students and Parents:

High school years are filled with anticipation and promise while students prepare to move forward as global citizens. Major milestones of a successful high school experience include graduation and admission to the college or university of their choice. Obtaining that acceptance letter from one's college of choice, along with a significant financial aid award, can be the cornerstone of a successful future.

Every year we recognize that an increase of just one or two points on the ACT can make the difference between acceptance and significant financial aid awards or a student being wait-listed or rejected. A **Next Level Prep ACT Preparation Seminar** can assure that your student learns about strategies to improve his or her ACT score.

**Next Level Prep** has a dedicated team of professionals who specialize in teaching students how to utilize the latest testing and time management strategies for the ACT, typically resulting increases of 2.0 composite points or more. This approach has proven successful for thousands of Ohio students, often increasing admissions percentages by 15% to 20% for participating high schools.

**Aurora High School** is very committed to increasing its college admissions and placement rate and ACT profile and will host this intensive, six-hour seminar for our students for just **\$79** each on **Saturday, January 26, 2019**. The price includes the seminar, a 400-page, comprehensive workbook, unlimited access to online testing and assessment, and free, live, call-in tutoring prior to each national administration of the ACT. Similar programs range from \$199 to \$300 per student.
