Driving and parking on school property is not a “right”, it is a privilege. As such, the privilege to drive and park on school property *may* be revoked.

Students are required to park in designated student lot. Sophomores are required to park in the “Stadium” or “Yellow” lot only. Juniors and Seniors are permitted to park in the designated lot according to the pass they obtain. Green is student lot near cafeteria, Blue is student lot near baseball field, Yellow is stadium lot. No students are permitted to park in the lot in front or behind the school or in the lot near the Athletic Office. This includes vocational students as well. Passes will be sold on a first come/first serve basis and limited to the number of spaces available per lot.

- Students are not permitted in their cars without permission from the principal or assistant principal any time during the school day.
- Student vehicles illegally parked or without a permit will be ticketed.
- Continuous and deliberate violations may result in the vehicle being towed at the owner's expense and/or disciplinary action.
- No unauthorized vehicle will park in the designated handicap parking spots.
- Student drivers who have excessive absenteeism or tardies may have their driving privileges revoked.
- Purchase of a new pass is required if current pass is lost.

Student vehicles may be subject to search if there is reason to believe the school conduct code has been violated. The Aurora City School District is not liable and assumes no responsibility for any vehicle parked on school property.

Parking permits must be displayed and unobstructed on the rear view mirror with numbers facing out.
