4. Placement in the lottery will be maintained by the district for the current school year and utilized should a community peer spot become available during the school year and more peers need to be screened.
5. Applications will be sorted by age (3 and 4 year olds), each age group will have its own lottery for screening.
6. Documents for twins will be stapled together for selection purposes and be counted as two consecutive screening spots if selected.
7. The lottery will be selected at random by a third party in the presence of two non-partial observers.
8. The lottery numbers will be drawn on November 3, 2017 and you will be notified by mail of your lottery number.
